# Specialty Services

Specialty services such as storeroom surveys, energy efficiency studies, identification of OEM spares, and product standardization allows BDI to provide documented cost savings and REAL solutions to increase your plant's profitability.

**VOLTA SUPERDRIVE BELT**

**SMC HYGIENIC ACTUATORS**

BDI's Fluid Power and Belting specialists can help you find the best fit of Food Packaging specialty products and services. The Volta SuperDrive hygienic belt which is NSF/FDA/USDA/3A Dairy certified, and SMC's line of Stainless Steel, corrosion-resistant products (including actuators, cylinders, tubing, fittings and valves) are sure to benefit any Food Packaging facility.

Contact your local BDI branch location to inquire about energy reduction surveys focused on drive conversions. Also, discuss the replacement of a C-faced mounted, washdown duty motor (with short life span) to a premium efficiency, sealed, stainless steel motor.

Whether upgrading to improve a conveyor line's performance, or needing a solution to an on-going problem, count on BDI for prompt service and best value. By combining a highly trained sales force with product specialists, BDI provides realistic and affordable solutions.
