## BDI Announces the Opening of a New Branch in Los Angeles

BDI (Bearing Distributors Inc.), headquartered in Cleveland, OH, announces the opening of a new branch in Los Angeles. BDI Branch #80 is located at 14263 Proctor Ave., Unit F, La Puente, CA 91746. Tel: 626/709-4995; Fax: 626/333-4207.

The newly opened office is overseen by Gabe Duchene, a five-year BDI veteran who has relocated to Los Angeles from the company's Cleveland headquarters.

"Our new Los Angeles branch supports several large customers that we already serve on the West Coast," according to John Ruth, President, BDI-USA. "This market also presents a significant growth opportunity for BDI and allows us to bring our solutions-driven service model to companies throughout Southern California."

With 140 global branch operations located in the U.S., Canada, Mexico, Europe and Asia, BDI services manufacturing companies throughout the world. BDI is a leader in the distribution and application of bearings, mechanical power transmission, electrical power transmission, linear motion, fluid power, material handling, industrial and safety products. Value-added services offered by BDI include inventory and supply chain optimization, advanced technical support, documented cost savings and end-user training.
